FenXun Partners is a partnership law firm established in Beijing in August 2009 with the approval of the Beijing Justice Bureau. FenXun's practice focuses on the development of corporate investment and financing activities and covers anti-monopoly/competition law, asset-backed securitization, banking and finance, commercial litigation, arbitration and dispute resolution, corporate finance, mergers and acquisitions, and reorganizations, employment, foreign investment in China, intellectual property services, including intellectual property litigation and dispute resolution, real estate, RMB investment funds, private equity, hedge and real estate funds, and derivatives, securities offerings and listings, IPOs, tax and employment, and is still expanding on its way to a full service law firm. In its brief history, FenXun has earned a strong reputation for its dedicated, thoughtful and professional legal services and for its ability to handle sophisticated legal matters. It was recently recognised as 'Rising Law Firm of the Year' at the China Law Awards and has been ranked a leading Chinese firm for asset securitization projects and financial derivatives for many consecutive years by Chambers and other such authoritative legal ranking organizations. Its funds, M&A and anti-monopoly practices are also in the top spots. FenXun has acted for many large PRC companies and MNCs on major and award-winning deals. (www.fenxunlaw.com)

On 15 April 2015, Baker McKenzie FenXun (FTZ) Joint Operation Office ("Baker McKenzie FenXun") was established. It is the first joint operation that has been approved by the Shanghai Justice Bureau. The Baker McKenzie FenXun (FTZ) Joint Operation is the world's leading China legal platform, delivering integrated international and PRC legal services. Staffed by both locally admitted and foreign-licensed lawyers from Baker McKenzie and FenXun Partners, it advises leading Chinese and multinational companies on both China domestic and cross-border issues across the full spectrum of corporate and commercial law, including M&A, capital markets, corporate finance, private equity, funds and derivatives, employment, tax, intellectual property, disputes resolution and litigation, antitrust and competition. The team works closely with lawyers and professional staff across Baker McKenzie's 78 offices worldwide, assisting businesses to navigate the legal complexities of competing in the global economy.
